“Pinocchio”

The adventures of life teach a puppet about honesty and humanity.

A little wooden marionette is lovingly created by a master craftsman... but what a bad little puppet he turns out to be! He's selfish and greedy, and he lies. He doesn't listen to the good council of anyone: his father Gepetto, a philosopher Cricket, or a Blue Fairy. After many hair-raising adventures, Pinocchio finally learns what it takes to become human: kindness, compassion, loyalty, hard work and selflessness.
