## **“Tale of the Rainbow Lizard”**

Discovering our colorful ancestry

Pablo Del Peacock (the famous portrait artist) is trying to paint a picture of beautiful Monique Gecko, but every morning she arrives a different color and he has to begin all over again. He and his friend Fatima Flamingo (taking a break from her Flamenco lessons) search for answers.

When they solve the mystery and Pablo learns about Monique’s diverse heritage, he decides to paint his new masterpiece using all the colors of the rainbow.
