All the World's a Play

A day in the life of England's greatest playwright!

Meet William Shakespeare... an eager but harried young playwright who is trying to write, direct, cast, and bring dramatic life to his half-finished plays: Hamlet, Julius Caesar, and Romeo & Juliet. As Will has fun with actors who forget their lines, insistent producers, garish set designers, and always the “words, words, words” we learn about his life, his language, and his legacy.
